

C3- Documentation of Medical Examination

This form to be provided to all students suspected of having a concussion. For more information see "Concussion Management Procedures: Return to Learn and Return to Physical Activity".

_____ (student name) sustained a suspected concussion on _____ (date), at _____ (location). As a result, this student must be seen by a medical doctor or nurse practitioner. Prior to returning to school, the parent/guardian must inform the school principal of the results of the medical examination by completing the following:

Name of Doctor

Where they were seen

Results of Medical Examination

- My child/ward has been examined and **no concussion** has been diagnosed and therefore may resume full participation in learning and physical activity with no restrictions.
- My child/ward has been examined and **a concussion has been diagnosed** and therefore must begin a medically supervised, individualized and gradual Return to Learn/Return to Physical Activity Plan. Parent/guardian will be contacted by the school staff to discuss the Return to Learn and Return to Play protocol.
- I have been informed of the school's concern and decline to have my student assessed by a medical professional.
