If you are a First Nation, Métis or Inuit youth who would like to learn in a supportive environment which honours Aboriginal traditions, then this program might be for you. Our goal is to provide First Nation, Métis and Inuit students with a safe and inclusive environment in which to learn.

We focus on respect for self, others, Aboriginal traditions, and community as essential elements of becoming a lifelong learner. Learning occurs within a small class supportive environment and focuses on hands on projects and activities connected to the curriculum and Aboriginal traditions, cultures and perspectives. The program is supported through regular visits with local Elders and community members.

Students will participate in cultural activities such as:

- Drum making
- Smudging
- Beading
- Canoeing
- Traditional Gardening
- Maple sugar making
